INTRODUCTION

The Exemption Diagnostic Calculator is designed to help:

1. Quarantine your assets and generally classify them based on creditor risk exposure including the claim, attachment and seizure of assets to frivolous lawsuits, bankruptcies and other unfriendly predators.
2. Identify potential tax weakness or leakage and forfeiture of tax exemptions as well as identify tax weakness and wealth leakage.
3. Show you what assets and amounts can qualify for various creditor and tax exemptions and help quantify your tax savings and creditor exemption defense opportunities.

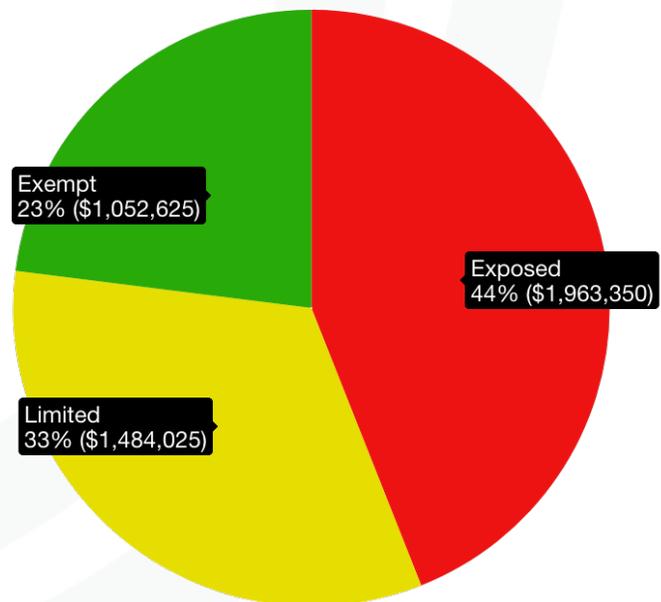

The goal is always to help you fully understand your rights, know you're doing everything you can to better protect, profit and preserve your wealth, and truly maximize your chances for a secure future lifestyle.
